EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with J. Scot Wickhem on 4/06/2010.

The application has been amended as follows:

Claim 19:

Replace lines 4 and 5 with --the proximal shaft section includes a tubular shaft having a proximal junction and a distal junction and including a first polymer layer;--.

In line 10, replace "contacting a first" with --contacting the first--.

Claim 28:

Replace lines 3-5 with --the proximal shaft portion including a tubular member having a proximal junction and a distal junction and including a first polymer layer, the tubular member including a plurality of slits defined in the tubular member;--.

In line 11, replace "a polymer layer" with --a second polymer layer--.

Claim 37:

Replace lines 2 and 3 with --a slotted tubular member having a plurality of slots therein, the slotted tubular member having a proximal junction, a distal junction, a longitudinal axis, and including a first polymer layer;--.

In line 10, replace "contacting a first" with --contacting the first--.

3. The following is an examiner's statement of reasons for allowance:

Claims 19, 28, and 37 have been indicated allowable because the prior art of record fails to disclose either singly or in combination the claimed device of a torqueable and deflectable medical shaft that includes a first polymer layer over the proximal shaft that has a braided portion overlapping the polymer layer at the distal junction of the proximal shaft; and further has a second polymer layer that is disposed over both the braided portion and the tubular shaft.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
